

Assistive technology +
Executive functions +
Learning strategies +
= SLP4ALL

BELIEVE. EMPOWER. SUCCEED.

YOUR **SLP4ALL** JOURNEY WILL INCLUDE:

A COMPREHENSIVE ASSESSMENT

- 2 x 90 min sessions
- Your SLP will meet with you to evaluate your accessibility and learning needs.

A TAILORED TREATMENT PLAN

- Through collaboration with your SLP, you will design a personalized treatment plan to support your unique needs.

EMPOWERMENT THROUGH LEARNING

- Approximately 4-5 sessions following the assessment.
- You will work with our skilled SLPs, CDAs, or Assistive Technology Facilitators to learn to proficiently use and implement your accessibility tools and strategies.

CONTINUAL SUPPORT FOR HABIT FORMATION

- To promote long-term success and adoption of tools and strategies, we highly recommend our new extended service options:
 - Checks & Balances
 - MindTech
- Contact **SLP4ALL** to find out more about these and all we have to offer!

THESE INNOVATIVE PRINCIPLES GUIDE OUR APPROACH:

- **Integration**
 - We intertwine assistive technology with executive functions and learning strategies for comprehensive support.
- **Embracing Trends**
 - Understanding the importance of fitting in, we choose tools that resonate with students' sense of 'coolness' and modernity.
- **Lifelong Utility**
 - We equip students with tools meant to be embraced for life, not merely for school years, fostering a lasting impact.
- **Universality**
 - The tools selected for academic success will be equally useful in real-life situations.

SLP and CDA services are covered by most insurance plans and are OAP Eligible!
